

CMPT260 Quiz 1

October 12, 2006

In class, 30 minutes

Instructions: Do not use a light pencil. A portion of the marks awarded will be for the style and clarity of your result. Answer questions in a separate booklet. In addition to the rules provided, you may also use the implication identity that $P \Rightarrow Q \equiv \neg P \vee Q$.

1. (20 marks) Give truth tables for the following:
 - a. $A \Rightarrow B$
 - b. “A unless B”, that is, “A if not B”.
 - c. $(P \Rightarrow Q) \wedge (Q \Rightarrow R) \Rightarrow (\neg P \vee R)$
2. (5 marks) Is $P \Rightarrow P$ a tautology? Justify your answer.
3. (5 marks) Give an example of a contradiction.
4. (10 marks) Given premises $A \vee B$, $A \Rightarrow D$, $\neg D$, give a proof of B .
5. (10 marks) Give a proof of $(P \Rightarrow Q) \Rightarrow (P \wedge R \Rightarrow Q \wedge R)$.
